### The Premises:

A flat in a small block in the outskirts of Wellingborough. Looks like a safe area. Access is by an entry phone from outside, so anonymous with no nosy neighbours. Inside the flat is clean and comfortable, with shower facilities. There is plenty of free on-street parking immediately outside the flat.

### The Lady:

Sophia is a very attractive brunette, tall (5'9", nudging on 6'0" in heels), neither too fat or too thin - just a lovely comfortable body! Nice 36B breasts.

### The Story:

I have seen Sophia about half a dozen times now, and will continue to see her as often as I can, even though she lives 75 miles away!

Sophia is a very genuine, intelligent and friendly person. She always greets you with a lovely smile and a passionate kiss (she is a great kisser!) Sex with her is just fantastic - she does everything with tremendous enthusiasm, and even sceptical me is convinced that she really enjoys what she does! I've always felt very comfortable with Sophia, more than any other Escort that I've met. She is obviously intelligent and well read, and is a pleasure to cuddle up with for a chat after the heat of the battle is over!

She now runs an agency of her own (Sophia's Angels), and I have enjoyed a 3-some with her & another "Angel". Sophia is very fond of these, and that makes the experience particularly enjoyable.

Recommend her - what do you think?
