### The Premises:

Isabella likes to keep her business private from friends and family so rents a nice big house out to do all incall visits away from where she lives. The house is easy to find, has off road parking and inside very clean and welcoming. Felt very safe and private

### The Lady:

5'4 in height, long dark hair, size 10-12, small but plentiful c cup rack. Very pretty with a slight Welsh accent. Neatly trimmed down below and very chatty

### The Story:

This is the second time i have seen her, both times for a Splosh session. She is a Dominatrix and escort so very open minded to requests, and recently fell in love with splashing.

I called her the week before and made the appointment. She is quite good at chatting via e-mail so as this was my 2nd appointment no issues with waiting for a reply

On the day I called her 3 hours before to confirm. On arrival she was all ready. The kitchen was covered wall to wall in plastic sheets, she was wearing this little short blue rubber mini dress I had sent her and the photographer I had requested was set up and ready(He is also into splashing and has one of his photo sets with her on line on her web site). I provided the food including lots of custard, chocolate sauce, toffee mouse, rolo desserts, chocolate gateaux's and squirty cream

After getting the business end sorted I started by laying on the floor and she covered me in custard for a full body massage while slipping her hands in between my legs and massaging the little chap every now and then.

What followed was about 30 mins of covering each other in food, massaging it in, tit wanks, hand jobs, 69 e.t.c before finally shooting my load all over the place. Excellent experience loved every minute of it

Finally followed the path of towels up the stairs to the shower to clean up. Isabella does do full face and head coverage but charges a little extra ?20. She does not do OWO but does do it with. She

does not do fully shaved but does keep it neat and trimmed and she does do sex after you have cleaned up from session but not during for obvious reasons. The photos are optional and when put on umd.net, her website or adultwork all faces are blurred out for privacy and you get a copy of the set yourself :o)

Amazing girl, amazing experience, amazing punt ad will definatly be doing again.
