The Premises:

Decent place in a quiet side street off a busier major traffic route. Entrance straight from the road with a security door. The inside is a bit tatty but is adequate enough.

The Lady:

Petite blonde Latin girl. Not a model type face but certainly not ugly. Curves in all the right places. Nice large, but enhanced tits. Her whole body is taut and firm. Fully shaved.

The Story:

I've seen Sandy a couple of times before this visit so I knew what I was going to get and that is a really great service. I opted for VIP personal and asked her to dress in a schoolgirl uniform, which was no extra charge.

She didn't bother with a pointless massage, instead she climbed on top of me and started to kiss my face, neck and ears while I ran my hands over and squeezed her body. She was so sexy in that little uniform and I was ready for action. She lifted up the bottom of my boxers to release me and made a 'Mmmmm' sound and smiled at me before starting to kiss me there too, occasionally stopping for some more normal kissing and touching. Then she released those wonderful tits and I started to suck them a bit and this kind of interchangeable foreplay went on for quite a few minutes.

At one point she climbed into a 69 position but I only squeezed spread her bum cheeks, she wasn't too keen on me using my fingers though. She turned around and started to kiss my cock so I asked her to suck me again, which she did and I soon told her that I wanted to fuck her, which she repeated back to me (omg)!

On with the condom and a bit of lube and into mish. Man I was so hard and horny but I didn't feel like climaxing, so I asked her to go on top in the squat, which she did but she got tired after about a minute, so I then took her from behind but that didn't feel right for some reason and it is not my favourite so back to mish for the final stretch. I put her legs up high and held them there with my arms, even though she resisted a bit, she let me continue, she just never says no, and well that was too much for me by then.

Quickly pulled me out and removed the condom and the rest of the cleaning I did myself, but this is no problem for me. I could probably of had a massage but another punter was waiting and by the time I got back from the bathroom he was already in there, so I never got to say bye to her :(

Really good girl and I would be happy to see her again and again and I probably will ;)
