The Premises:

The flat was on the second floor of a smart block near Marble Arch with bell/intercom. It felt perfectly safe. The room was clean and comfortable.

The Lady:

Clarissa is a real beauty. She really does have the face and figure of a fashion model, not an ounce of spare flesh. The pictures on the website are accurate.

The Story:

A very pleasant hour. Clarissa is warm and friendly and took an interest in me. There was no rush. I thought she was a little restrained compared to some girls I have been with - she has her limits - no owo, and she wouldn't share a shower with me, but I'm not complaining. I left feeling happy and satisfied.
