The Story:

Have not used this agency for a very long time, so this was my first foray back. Good looking girl, but when she knew I initially only wanted an hour quite clear she was keen to get in and out as quick as possible.

No prelim chat. Staright into bedroom and clothes off. Never good when a girl starts by asking whether i'd like her standard service or something else - so clearly she was going to try and milk me for more money. But given that i thought i'd be damned if I paid her more as she just didn't seem that friendly.

No kissing, no affection. Quite cold really. Got the condom on pretty quick. Pretty average oral with, but she was still sexy enough to get me turned on. Sex in mish. She barely pretended to enjoy it. She was quiet, I was quiet. After i came cleaned up and she was out. Can't have stayed much longer than 30 - 40 mins. I just expect a girl to make more effort, and if someone pays for an hour they should get it.

Not recommended.
