a modern apartment on a quiet street.

The Lady:

Anna has redish-brown hair, is around 5'4" tall, a size 10 with a 34B bust and a curvy bum.

The Story:

I had made the booking at 21:00 for 23:30 however the guy from Nottingham Escorts had forgotten to forward the address to me and it wasn't until 23:10 that I got the address from him so I had to tell him I couldn't make the original time of 23:30 as I needed thirty-five minutes for the drive to Nottingham City Centre. By 23:15 we had agreed to push back the booking until 23:50.

Anna met me at the door and showed me to the bedroom where I paid her ?150 for a one hour booking. I asked if I could pop to the loo whilst Anna also left the room to deposit the cash elsewhere in the apartment. Once back in the room I began to undress and Anna slipped off her dress, as I removed my boxer shorts to stand naked Anna slipped out of her knickers and then removed her bra; she knelt on the bed naked and indicated for me to lie alongside her.

Anna began stroking my back and after a few moments asked me to turn over so she could do my front. She stroked my chest and stomach briefly and then bent forward to kiss me. Anna straddled my chest and rubbed her breasts into my face, allowing me to suck briefly on her nipples. Anna climbed off me to get a condom and then applied it with her mouth but didn't carry on to give me oral, instead she moved up my body and lay alongside my and we began kissing again. AS we kissed I stroked her back down her bum and along her thigh. Anna rolled over and allowed me to stroke her clitoris with my index finger. We kissed a little more before Anna positioned herself under me for me to slip inside her. We had sex for a few moments in missionary before Anna changed to doggy. We hadn't been long in doggy when Anna pushed her hand under herself to grab my balls and fondle them. Anna then placed her index and middle fingers in a V on my cock in an effort to make me climax quicker. We continued to have sex with Anna either squeezing my balls or nipping my cock between the V of her fingers. I reach my climax quicker than I would otherwise have done and Anna popped out of the room to fetch so tissues. Moments later Anna took the condom from

me and wrapped it in a handful of toilet roll. I took a couple of sheets of toilet paper to wipe clean my cock. "Do you want to use the Bathroom to clean up?" Ana asked and I replied "Yes, Please."

When I stepped back into the room after cleaning myself, Anna was already dressed and asked if she could get me a drink; "Yes, please that would be nice." I assumed Anna had dressed so that she didn't have to walk around the rest of the apartment naked. However when she returned to the room with a glass of blackcurrant cordial and I commented that we had plenty of time left to go again Anna dropped the bombshell "I only offer a one cum service".

"Do you offer a message for the rest of the hour?"

"No, I usually just talk."

Well at no time during the booking process or on the booking to that point was I told this information. I tried to make conversation but each question I asked was given a concise reply and no conversation flowed. I just lay there slowly drink the cordial. Anna excused herself to go to the toilet and during her absence I took the opportunity to retrieve my watch I found that I had been in the room barely twenty minutes. When Anna returned I continued to slowly drink the cordial in silent as Anna had made no attempt to strike up a conversation - she had seemed reasonably chatty earlier when she was stroking my back. After finishing the cordial Anna took the glass from me and mutter something about dressing as she left the room again.

On entering the room this final time she wedged open the bedroom door whilst I was still lying naked on the bed.

I asked "Do you want to refund me thirty minutes?"

Anna replied "No. It is a one cum service you can lay here for thirty minutes if you like".

Anna had walked into the room and had made no effort to close the door so I said "You have wedged the door open; it appears that you want me to leave."

She replied without moving towards the door to un-wedge it "Well you can lay here if you want to."

I didn't bother to reply to that. It was all too obvious that Anna didn't want me to stay, that she was throwing me out and that she would not be returning half of the ?150 I had paid her. Her words were said so that later she can claim it had been my choice to leave as she had told me I could lie on the bed for the remaining thirty minutes of the time I had paid for.

Anna didn't move from where she was standing - behind my right shoulder out of my line of vision - whilst I got dressed as soon as I had put on my coat she walked passed me out of the room towards the front door. I finished zipping up my coat and made my way to the front door when I turned the dog-leg in the corridor I saw Anna was standing behind the door with her hand on the latch; by the time I reached the door it was already fully open. I simply said "Goodnight" without pausing and walked out the door.

This appointment was a complete and utter rip off.

I advise all readers to avoid Anna like you would the plague and furthermore I would recommend all readers avoid 'Nottingham Escorts' too.
