The Premises:

Slap bang in the middle of an industrial area, door completely out in the open but i felt safe enough.

The Lady:

5'7, brunette, early-mid 20's, nice set of tits.

The Story:

paid 20 quid just for hand relief which is exactly what i got, no touching of her allowed. this is perfect if you just want to blow your load quickly and not be disappointed! didn't realise until after you can have sex for as little as 40 quid! will be back again for that... overall this place is cheap and cheerful and for these low prices, kind of impossible to feel ripped off!
