The Premises:

This is a clean, comfortable place off of the High Street, opposite the new Tesco supermarket. The entrance isn't very discreet, but there is a back exit.

The Lady:

Jade is a tall, English girl with blonde highlights and a 36C bust. She is very friendly.

The Story:

I wanted a nice topless hand job to relax me and the service was delivered very well. Jade's breasts are natural with large areolas, something I particularly like.

This place stays open until the early hours of the morning and there is a choice of girls.
