The Story:

The overwhelming thing that springs to mind about this meeting is how pretty Janine is. For the usual understandable reasons, she does not show her face, and that?s often a worry, but she is absolutely stunning. A great body, too, but so very pretty ? especially in the eyes and especially when she smiles. (Oh, and if you don?t believe me, she has other similar comments elsewhere from a well established NE working girl which backs me up!)

And I think with her, that?s the key. She was so very relaxed during this, our first meet, and it just set the tone. She made me feel completely at ease and this was a real GFE, in all senses.

I could go on about her technique, but that?s secondary ? suffice to say that all things physical were excellent.

My advice is to ask her what she wants ? and then, boy does she deliver everything that you could possibly dream of!

I am not naive enough to believe that I am the best in the world, but she was satisfied ? and she has a little way of showing that that made me feel like I was the only person in her world (I repeat ? I?m not naive ? but for a second or two ?. !!!)

Janine has her do?s and don?ts posted elsewhere. If you want the pornstar, then we can all recommend a good one ? but if you want to thrilled, warmed and completely satisfied, then I recommend no more highly than Janine.
