The Story:

i had booked 90mins ,phoned at 12.55 the girl answered the phone said Helen was running 10mins late so i went to the door at 10 past

Went into the room at 10 past and waited and waited i phoned from the room at 13.25 to see if Helen was on her way , then she came in,

she was quite upset and was very sorry for being late the person before had been very upsetting to her .

I hadn't got time to stay for 90mins so paid for 60mins

the next 50mins were great it was great to put a smile on that lovely face untill the girl knocked on the door early which helen was not to pleased about and said sorry again!

Helen you are a ture star and you no what i think of you!
