Very nice apartment block right by mailbox. Plenty of free nearby street parking. Buzzer entry. Very safe location. Apartment spacious, warm, large & superb bathroom

The Lady:

Tall (about 5ft 8), blonde, slightly tanned perfect skin, fantastic smile & lovely eyes. Nice soft large natural tits (about a dd cup) with lovely responsive nipples. Some tats on her back, but not too much & very nicely done. Smells fantastic too.

The Story:

I have been seeing Eve on a regular basis for a while now, and with each visit she just gets better & better! She sorted out the place & kept me informed before the meet with a final text telling me the room no.

Was wearing a body stocking this time (my request), and to say she looked amazing is the understatement of the decade.

I won't give a blow by blow account but she loves kissing (the long lingering type) and can perform wonders with your old chap whilst caressing you at the same time. She has the smoothest softest skin & loves being given oral sex, and with her lovely fresh shaved (and soaking wet if you do it right!) pussy you will have a superb time down below. The hour always flies by & she never clock watches & is quite happy to lie in your arms after & have a chat about life in general. This is one very classy lady who also loves her job and any man would be as proud as punch to walk into a room with her (because he knows what she's going to do to him in the bedroom after). I wish I could keep her all to myself, but that just wouldn't be fair. Treat her with respect boys.
