The Premises:

This is definitely one of the nicer, cleaner parlours. With two of the friendliest maids you could hope to meet. On this occasion Angie knew which girl would suit me.

The Lady:

Samantha just exudes fun and really seems to enjoy her job. Following her pert bum up the stairs was a pleasure in itself. Looking at her, great figure, with a face that reminded me of Nelly Furtado. I couldn't persuade her to sing to me though :-)

The Story:

I opted for a full service with reverse oral which seemed to go down well. To sun up, i had a great time with this lovely girl and will definitely be putting "a Samantha" on my next birthday list.
