### The Premises:

Perfectly clean, comfortable and friendly-feeling premises in a fairly busy, and therefore relatively safe location, not far from Shawlands Cross. Parking nearby - though you may have to persevere a little bit to find a free space at certain times.

### The Lady:

I found Ellie to be a very appealing, very feminine young woman with a really gentle, attentive personality.

She's in her mid-30's at a rough guess, shortish dark hair and very attractively slim all over. Lovely open facial features, really magnetic eyes, gorgeous soft smooth skin, and curves in all the right places with everything in proper womanly proportion - though if you crave huge boobs, then it's possible that Ellie is not necessarily the ideal girl for you!

### The Story:

This was the first time I had met Ellie and I must say that she's a real find, as far as I'm concerned.

She's clearly very keen to please, but is also not averse to receiving, and enjoying for herself, some gentle attention to her own particular pleasuring needs as well.

An absolutely lovely woman in every respect, a most endearing nature and completely unassuming personality, she certainly put a big satisfied smile on my face - and elsewhere!

I hope this visit will turn out to be merely the first of many, many more.
