### The Premises:

Council block off Brick Road with intercom to flat. Was given address by txt. Not far from east Aldgate tube station. Flat was basic but the shower was good. think there was another girl sharing.Felt safe.

### The Lady:

Friendly girl with nice smile. Speaks good english. Nice boobs, but not a cat walk model. She was keen to please and was good value which we need in this financial climate!

### The Story:

Lots of kissing ,then 69, then in the front door, then in the back door,then a rest and a good massage, and then another session. The massage given was firm and relaxing and the next day I felt good.
