### The Premises:

Classic parlour, walked in to see sexy girls walking about (always a nice feel)

### The Lady:

Thin, sexy and an amazing body

### The Story:

Into her room for a quick massage then caught a glimpse of her ass, and had to have a feel, Lisa didn't mind that I was also sliding some fingers in..she hopped onto the bed so I could get a better view and use of both holes, great kisser and great at what she does, she accepted all that I could manage, after many positions and holes we finished off doggy on the couch, there is something special about seeing her tits squashed under her.
