The Story:

Well where to start? I am a confirmed Gaby-holic, seen her a few times and she rocks my world! She suggested a 2 girl to me a while ago and having thought about it for all of 5 seconds, there I was knocking at the door!

Both girls greeted me looking absolutely stunning in black outfits, stockings and heels. We all kissed and retired to the sofa for a drink and a chat and kisses and cuddles all round. Gaby ran me a shower whilst i got to know Leah better - boy that girl can kiss! I hopped In the shower and came out to find leah and Gaby kissing on the bed.... the best view ever! I then joined them both for the most mind blowing sex imaginable. Leah sucked me, Gaby sucked me, taking it in turns, and both together. Then it all got a little hazy, we were all licking, sucking, caressing and Fucking, toys came out too, and the girls had fun while I watched, then joined in. Gaby lay back as leah went down on her and I entered leah from behind - what a sight! Then I came hard Inside leah. We chatted and cuddled for a while and what do u know.... the whirlwind started again! The best oral from Gaby, then fro leah, I went down on leah whilst Gaby rode me fast and hard. Gaby got a toy and pleasures herself whilst I got on top of leah with her legs over my shoulders. I couldn't hold out and both girls bent over to let me finish off over their pert little bums!

Absolutely AMAZING! I'm spent, and grinning like a cheshire cat. These 2 lovelies are a perfect duo, gorgeous, energetic, eager to please and obviously enjoy each others company a lot. Don't think I could handle this as a regular thing, but by god ill be back to do it again for sure.
