The Premises:

Clean flat reasonably safe though felt a bit exposed at the front door. There is a back entrance which is not easy to find if you do not know about it, but I will use this next time.

The Lady:

Quite short and a little chubby.

The Story:

Wow. Assisted shower- excellent. Full body massage, blow job, her on top, doggy finished with wank between her tits.

I have never met a working girl who is so enthusiastic in her work. She is no beauty queen, but I found her 'girl next door' looks very sexy. Read two old reports on her before I went, however in my opinion they do not do her justice.
