Company: Norfolk Girls

Website: http://norfolkgirls.co.uk/Mainsite/?page_id=91

Phone: 07510180950

The Premises:

Outcall

The Lady:

Awesome body! very firm, you can tell she works out down at the gym as per the description on her profile. Pictures on her profile do not do her enough justice!

The Story:

Very friendly polite and knows how to settle the first time nerves of visiting an escort! Somewhat shy at first as her profile states but quickly opens up!

Satisfied me completely in the bedroom department! and delivers totaly on the services her profile states!
