The Premises:

Nice modern apartment near MK Central with plenty of Pay and Display parking spaces nearby which are free of charge after 6pm

The Lady:

Attractive leggy brunette with sparkling hazel eyes, a very kissable full-lipped pout, pert little bottom and shapely firm boobs.

The Story:

After dealing with payment and getting me an orange juice, Katie offered me a massage which I happily accepted and we had a nice chat and giggle whilst we got acquainted.

She then asked me to roll onto my back and put a condom on me for some covered oral; I don't normally enjoy OW nearly as much as OWO but Katie's technique is very good as she managed to take most of my length in her mouth (although not quite fully deep-throat) plus she gave my balls some attention with an occasional luscious lick.

We then embraced and kissed before Katie climbed on top for some cowgirl position sex followed by several other positions during which Katie demonstrated her suppleness and we both worked up a good sweat.

Katie was no clock watcher as she happily gave me a few extra minutes of OW and then whipped off the condom for some hand relief combined with an occasional lick of my balls and todger. This brought me to an explosive finish only narrowly avoiding her lovely long hair!

A wonderful GFE with a lovely young lady whom I plan on seeing again.
