### The Premises:

As previously describe by many. good clean and safe.  
Seem to be some new staff.

### The Lady:

Early mid 20s, 5'7", nice grey eyes, long dark hair, nice lilly tatto on back and absolutly fabulous  
36ee real breasts! From Leds with a very friendly and enthusiastic attitude.Only been at VH for a month.

### The Story:

Very good firm back massage,with plenty of attention to balls and kissing of ears, including using her fantastic tits for body to body.

Roll over for french kissing and sucking of her breasts.She then kissed down my body and between my legs, including my balls.Excelent covered oral.Reverse oral, while also squeezing those tits at her request, as she came twice in sucession. A little more covered oral and good hard doggy to my finish, with her pushing all the way back onto my cock.

Excelent lady, thoroughly recomended. Hour next time.
