Zoey visited me at my hotel

The Lady:

Slim blonde, pretty face, long legs, small tits & great arse!

Mid to late 20s

The Story:

Read another report on this lady and decided to give her a ring.

Rang her but she's quiet difficult to get hold of by phone to speak too so texted her. Had to wait two days for response.

Originally wanted incall but zoey said no longer doing them so booked a hotel especially for the occasion.

The whole meeting was arranged via text, which I wasn't 100% sure about but true to her word zoey did show up and quite frankly looked seriously hot!

Dressed in a smart dress zoey was very discreet.

We got money over with and straight down to business. She stripped to a sexy red basque & black stockings and then come and got my cock in her mouth. She then stripped me off and rubbed her tiny tits and pussy up and down my hard cock and balls and then gave a nice sloppy blow job. Lots of spitting very dirty! Onto 69 and I licked her juicy pussy & then on with the condom and fucked in miss, cowgirl & doggy to finish.

This girl is very horny and seriously takes no prisoners! She just took charge and used my cock how she liked, which I found a real turn on!

The only downside to this is she seems hard to get hold of to book an appt. She did mention that she's in University so maybe this is why her phone is off for days.

In total a sexy stunner, reasonable rates & well worth the wait!
