Comfortable parlour, although not the most flash. Friendly receptionist. Drinks offered.

The Lady:

Late 20s/early 30s. Toned and lithe, with the body of a dancer or a fitness instructor, in build more like a very sexy athlete than a WG, although completely feminine. Lovely soft skin. Short blonde hair and attractive face. Overall very nice indeed.

The Story:

This was my first meeting with this Manchester parlour legend, who has so many good reviews, some reading like fantasy porn. I was a bit apprehensive, I must confess. Would she be disappointing? Would I find her a bit overwhelming?

I needn't have worried. Jessica greeted me with a nice kiss, and took me up to the room then left for a few minutes while I had a shower. More French kissing and cuddling when she came back. She wore a kind of semi-transparent skin tight two piece catsuit that looked sprayed on to her lovely body, but this wasn't on for long. She lay back on the bed wearing only her high heels, while I gave her oral. She seemed to enjoy this but claimed not to be able to come lying down, so she ended up sitting on my face. Lovely view of her bum, which I tongued as well. In a kind of 69 position I got ball-sucking, rimming, then a bout of OWO (?10 extra), during which I struggled not to come, interspersed with kissing. On with the condom then Jessica sat on top and ground herself up and down until I couldn't hold off any longer. I've had condoms put on with the lady's mouth before, but Jessica took it off with her mouth, a first for me. A bit more kissing and fondling, and a friendly chat as she showered and dressed.

A wonderful sexy GFE. I imagine that it will take many visits to get through this lady's complete repertoire, which probably involves more raunchy activities than I can easily cope with, but she pitched the level of overt sexiness just right for me. Her dial probably goes up to 11 for those who can manage it! Her reputation is well-deserved and it's hard to imagine anyone not having a great time with her.
