### The Premises:

Large smart flat in development near East India DLR

### The Lady:

Pictures on her profile page are probably of her, though slightly flattering. Quite tall woman in her early-mid 20s. Wide hips, small breasts. Reasonably attractive.

### The Story:

Sindia is from the Baltic. She seemed slightly unsure of her stage name "Sindia", but also goes by the name of "Smallsmile". She advertises as 19 y.o. but I would put her closer to 24. Good English. A friendly enough woman and competent services, but it is clear her heart is not really in it.
