### The Premises:

Nice enough serviced apartment in the Crown Street area. Clean flat, with shower facilities if required. Really annoying beds though - really squeaky, plus painful side rails to bruise knees and shins!

### The Lady:

Jess is mid-twenties, about 5'5" or so in bare feet. She is about a size 12, soft, curvy, feminine and pretty with a modest bosom and lovely round rear end. She has blonde streaked hair and lovely smooth skin. She was wearing stockings, heels, nice lingerie and looked good enough to eat...

### The Story:

I've seen Jess before, and it was no hardship to go back again. I was offered a cool drink by her pal Rachel, who looks rather naughty too, whilst Jess finished getting ready. Jess was very welcoming, and has a bubbly, friendly nature. She is very feminine (which I like), kisses very nicely and always seems eager to please her man. Some nice RO to get Jess going, followed by some lovely OWO - Jess has a strong, highly-skilled tongue and good technique and eye contact. Jess is soft, yet strong in the pelvis and flexible, so sex in various positions for 15/20 mins was lots and lots of fun. Finished with more gorgeous OWO to a lovely CIM. Just what the doctor ordered. The hour was rounded off with some really good back massage, and off I went on my merry way with a smile on my face.

Jess tours to Aberdeen regularly, and is well worth a visit. No nonsense, no extra charges, just a very nice time with a clean, sexy, honest girl who knows how to please a man. Don't hesitate to book with her.
