The Premises:

Very clean and very easy to find. Not alot of parking nearby but if you dont mind walking there is a small lay by just further up the Road. Keypad access to the main door. Very easy to use. The area is well lit and private

The Lady:

OMG! I have had a thing for Sandra Bullock for years. Ever since I watched Speed. This lady is a spitting image of her and I was in heaven as I thought I had meet the woman on my dreams. Although she is not Sandra Bullock I think I still have meet the woman Ive been craving for. Tall, Perfect pert breasts, Eyes to die for, All in all perfect.

The Story:

My time with Lara was well worth it. I only wished I have booked an overnight stay. I did attend hoping to try a few things but the maid forgot to pass on my request (All is forgiven) To be fair if I knew Lara was so gorgeous I would not have asked anything. I got a full GFE and it was if we had been dating for years. Pleasant touching and oral W/O was given and reversed. Plenty of noise and eye contact. Im sorry to say I have seen a few girls now and have always thought Id never see another since the last but I can assure you Lara will be seen again, again and again. Wow.
