### The Premises:

Central but discrete

### The Lady:

Young short-haired quite tall girl with friendly manner.

### The Story:

Tasha was friendly and easy to get on with from the start, which helped enormously.

I opted for a cuddle rather than massage and we were soon wrapped in each other's arms with the conversation flowing and hands wandering.

Tasha has a smashing body and there was nothing I did that met any resistance, which was very enjoyable though I hopefully wasn't trying to be too invasive.

We then moved on to oral and then to sex and it was all just so satisfying with a willing and responsive young partner.

I can't recommend Tasha highly enough, a great new addition to Sirens' staff.
