### The Premises:

Small but cosy bedroom on the ground floor.

### The Lady:

Short Romanian with dyed blonde hair. Good firm breasts and nice ass from behind. Might be the girl in the photos, but photos are heavily photoshopped as the girl bore little or no resemblance to the girl I actually met. Not as pretty as the photos suggest.

### The Story:

I arrived on time, to be met by a dull and tired looking Honey in knickers and bra with more makeup whatsoever. I asked if she was alright and she replied that she had been sleeping. Gave her the ?150 and she went out of the room and returned about 3-5 minutes later. She did apologies, saying she was trying to tell the agency that I'd arrived.

We both got undressed and started with a hug. Tried to kiss her and she moved her face away, saying she doesn't kiss. I asked for blow job, only for her to reach for a condom. I asked if she does OWO and she said no. At this point I started wondering what exactly I was paying her for. You see, with this agency, they don't tell you over the phone or on their website what services their girls offer. When I inquired, I was told to ask the girl. So I decided, to just go for intercourse as condom blowjob don't do it for me. We were about 15 minutes into the liason. She lay on her side facing the wall, while I entered her sideways. To her credit, she was tight and I was beginning to enjoy it, until I carrased her breast. She pushed my hand away saying she doesn't like it. Then she asked me if I wanted to push her through the wall, as she was too close to the wall.

I then withdrew for her to change position. It was at this time that I noticed that her hygiene level was poor. I decided to just lay there side by side. I asked her if she wasn't happy to see me. Ask said "am I suppose to be happy to see you? I have never met you before". It were about 20 minutes into the meeting. I decided to try my luck by asking her if I could cut the meeting to 30 minutes, for a ?50 refund. As you would expect, she said her minimum was ?150. I decided to cut my losses had a shower and left.

This was the second time a girl from this agency had screwed me up and I will NEVER again use them and will think twice before seeing any agency girl with no review.
