The Premises:

The usual walkup not far down Berwick street, was very busy so just went straight in and upstairs.

The Lady:

Stunning, size 8, dark hair, tall slim English girl new to the area, large breasts perfectly formed, the sexiest pair of legs on earth! sexy so so sexy, wow is all I can say.

The Story:

Knowing Eva was on the top floor and having seen her before I was tempted to go on up however on the first floor was a new stunning English girl as was advertised on the stairs so I thought I'd go in!

Danielle is her name, went for straight sex and after a few mins of touching each other up and undressing one another kissing her neck and breasts it was time for her to slip the mac on wanking me with one hand, I was fingering her and she has the sweetest pussie I have ever seen, she got soooo wet too, then I put my cock inside her from a sideways position and didn't last long at all!! I'll be back just wish I'd remembered to ask her when she works! If anyone has the Joy of visiting and could report that would be great! 10/10. Nice Girl to chat to as well, would go for longer with her next time!
