The Premises:

Basement flat in a quiet residential Street. Clean and bright (I was asked to take my shoes off at the front door). Felt totally safe.

The Lady:

Slim girl with a wonderful figure and small pert breasts. Beautiful smooth skin, really a treat. Nice face especially when she smiles.

The Story:

Eve is pretty much up for anything (but not A) and is a very giving girl. She is good company and is happy to chat and have a laugh. She is good at what she does, and she does it with some style.
