The Premises:

The location was easy to find and had enough on street parking. The building itself is a little tired, but once inside it is nice and comfortable

The Lady:

Go to Autumns website and look at her pictures, as my description could never do her justice. And she really does look like those fantastic pictures

The Story:

I was greeted by Autumn at the door with a big smile and a kiss, which made me feel instantly relaxed in her company

She looked stunning in her figure hugging basque and stockings.

We chatted as she led me to the bedroom, which was set up for the Nuru massage with the PVC sheet on it. There were candles flickering on the window sill giving the room a nice intimate feel.

For the Nuru massage, I need to be wet, so we both stripped off, revealing Autumns fabulous figure and shared a bath, and somehow Autumn found space to fit in with me and we soaped and washed each other down, chatting some more with Autumn lying on my chest.

And then we headed back into the bedroom dripping wet and Autumn put some of the gel on the sheet, got me to lay on the sheet and proceed to add the gel to me, and on herself, encouraging me to help with the spreading of the gel before getting me to lie back, as she started to slip and slide all over me.

A condom was slipped over me, in case of accidental entry as she slipped over me, and then things became a bit of a blur at that moment, as we were sliding over each other, touching, kissing, just constantly trying to keep in contact with each other, and then that contact becoming more intimate.

A nuru massage by Autumn is a fantastic experience, and I can't wait to repeat the experience
