The Premises:

A nice clean flat with a very discrete rear door at the back of Langsett Road. You go up the stairs to a large lounge with a leather sofa and there's a single bed in one corner. Kitchen and bathroom on this level with a large double bedroom up another flight of stairs. The place is clean, warm and welcoming!

The Lady:

I've known Katie for some time from when she worked at Lizzies. She and some of the other girls have opened L'Amour which is just a few minutes away. Katie is in her late 40's 5ft 6 a size 12 with 38c/d bust and fully shaven. She has short dark hair. She's a very experienced lady.

The Story:

I arrived at 3.30 to be met by a naked Katie who asked "Do you fancy a foursome?" She and Faye were entertaining a client. I decided to wait and see her one to one and spent 15 minutes on my own in the lounge.

When the ladies had finished they came down with the client who I knew from another establishment so we spent 20 minutes catching up over a coffee there was no rush they were finishing at 5 so the phone was turned off. Katie & I went upstairs to the double room which was spacious we stripped and got on the bed. Plenty of caressing kissing and superb OWO from Katie. I returned the compliment before she climbed on me we changed to doggie then off with the condom and she finished me off with her mouth.

When I looked at my watch I realised I'd been there 40 minutes and Katie said with a smile I knew we had gone a bit over the time but as we were both enjoying it it seemed a shame to rush things!

An excellent punt superb value for money I would argue the best in Sheffield!
