Fake blond with enhanced boobs. Beautiful backside. Raspy voice.

The Story:

It started on the wrong note because the receptionist directed me to the wrong room to begin with.

I knocked on the room and some ugly-ass dude with a mustache opened. Not what I was expecting in the slightest.

Funnily enough, he seemed to have been expecting someone and looked like he was just as surprised to see me as I was to see him. It takes one to know one I guess.

Called the agency back and got directed to another room, this time empty. Called again and finally managed to get in.

I'm a veteran of Maxes (this was my ninth girl, and 11th appointment overall), and service has always ranged between ok and excellent, with very good chemistry.

Not so much this time though.

All Maxes girls are meant to do DFK, but Amber wouldn't let my mouth anywhere near her, and as far as I'm aware it's not like I had some rotten breath or anything.

Lots of over-the-top fake moans as soon as I touched her. Very toothy and not overly enjoyale bbbj. Dry as a bone down below.

Eventually I asked if I could do CIM (website says she does CIMS and that's why I had picked her over others) and she said yes. However, she eventually didn't let me, and pulled away instead.

Then she immediately grabbed a couple of baby wipes and cleaned herself up and ran into the bathroom to use mouthwash for whatever little fallout had managed to get near her lips.

Not the kind of service you normally expect from Max's girls.
