The Premises:

Flat above shops in high st. Nice area. Very safe vicinity. Entrance at back of shops. 1 min walk from busy station. Comfortable clean place.

The Lady:

Thai girl. Long black hair, nice slim figure, enhanced breasts (but not 'over the top') darkish skin as you might expect, pretty face, all in all a very beautiful girl. Late twenties I would guess.

The Story:

I have seen vicky a few times before. Although the last time was before xmas she remembered me. Nice touch! Was offered a drink - chose brandy with ice, added bonus! Vicky is very chatty and her english is good.

She entered room in sexy underwear which stayed on until things heated up. Vicky gave a great GFE experience, starting with french kissing and cuddling. Then progressed to OWO and 69. Then time for shagging which we started in reverse cowgirl. Seeing her grinding herself in to me while looking at her sexy ass was a sight to behold!

After that more kissing and oral both ways until the old chap recovered enough for another round of lovemaking in various positions. I could tell more, but you get the picture. All together a fantastic punt - cannot recommend highly enough. Best sex I've had for ages! You wont be dissappointed guys!
