The Story:

Gemma, is a very fun / pleasant lady, she put me at ease as soon as i arrived, was offered a drink on arrival and the chance to freshen up. I do not like to go into too much detail, but my time with her was excellent, she loves her job and is definately not a clock watcher, she took her time to get to know my likes, and even tried out something i have never experianced before, nice..... you know what it was Gemma :-) Thank you and will defo see you next time i am in your area XX
