The Lady:

Pictures close to reality, although there is some airbrushing. Lady is much taller than stated on her page (probably 5.8-5.9), long hair down to waist, although not quite the silky type.

The Story:

Angelina is a very friendly lady, laughs a lot and puts a lot of effort for you to feel comfortable. All positions allowed. Tried anal, but said it was too big :) Generally a very positive experience and would definitely recommend to other punters. Kind of girl you could go afterwards to a bar. Not sure if I would book her again, as I generally prefer shorter girls with truly silky hair :)
