### The Premises:

Very smart new flat in a smart new block. Free parking outside for an hour. Ruby's sister did a sterling job in texting me the address and how to get into the block.

### The Lady:

Smiling Spanish girl with blonde hair. Quite small, about 5ft tall, with pale skin and a stud above the top lip. Nice face and cute bum.

### The Story:

Quickly discovered Ruby has very limited English which makes communication of my needs somewhat difficult. Anyway, paid up front, got undressed as Ruby removed her towelling gown to reveal a nice little body. Boobs a fair size and just a tad saggy for such a young lass; I would guess early 20s.

Ruby immediately set to with giving OWO and understood when I suggested 69. Lying on my back lapping at her sweet fanny as she knelt over me and sucked away was delightful, especially as I gripped her tight firm buttocks.

Eventually hardened up sufficiently to get condom on and Ruby sat on my dick and started to ride me nicely. Unfortunately my erection didn't last long and we resorted to sucking and wanking me to climax on her tits.

Ruby smiled pleasantly throughout but I did not feel she really wanted to be there. She kissed with lips firmly closed and cleaned up and started to dress as soon as I had come.

Maybe she was disappointed with my performance? So was I!

All in all I have nothing to criticise about Ruby but as I left I felt a little deflated even though she was very good value.
