The Premises:

The interior of the house was clean & tidy, parking free, but congested. Bathroom also clean.

The Lady:

My idea of the perfect body, slightly dark soft skinned with lovely pert boobs, flat tummy and the most delectable neat bum. This girl should be gracing the pages of classy top shelf magazines.

The Story:

2nd visit to Zenna who was dressed in a little basque with white stockings. I slipped off for a short shower, which was to pay a bonus later. After returning Zenna stuck her lips to mine giving me deep kisses, more fondling and we finished on the bed without our clothes, she started some lovely OWO, she then went underneath and started licking, my most intimate place!!! Wow!!! A long session of 69 when she had an orgasm (or acted one) whose to know although it was convincing. Cowgirl, reverse cowgirl, mish & doggy, all with passionate kissing, followed by a cuddle after completion. This girl is brilliant. Only slightly disconcerting moment, was when in post coital bliss and having a nice cuddle, she suddenly said times up. I would have preferred a gentler end to proceedings, but I will be back.
