The Lady:

Photos on web site are obviously photo shopped but she really didn't need to bother as shes very attractive. Fabulous lips are her most striking feature. Great body and a great attitude as well.

The Story:

I went for an hour as I am starting to prefer the longer more relaxed appointment. Kissing was plentiful and totally full on! This got things going very well and was the best kissing I have ever had from anyone! Her tongue gets everywhere!!! OWO was awesome as I guessed it would be with those lips. Cuddling, kissing and nibbling went on for a while before I rolled her over for some reverse oral and rimming. By using a finger along with my tongue I managed to get her to come at least twice which she was very thankful for! We then had sex in the usual positions (cowgirl, missionary and doggy before finishing with a CIM bang on the hour. She said I was the first one to get her off today which made me feel good (true or not). Will definately book again and try a few more exotic things next time.
