The Premises:

As reported earlier, it is like climbing up to Mount Everest, so you get your dose of excersize in even before you start

The Lady:

she's 37, blond, and large breasted, originally from Eastern Europe, but has spent enough time in the UK to speak fluently

The Story:

she tries to give a GFE, but I was short of time. Good quality OWO, and an unhurried CIM ... she even commented that not a drop was left!
