The Premises:

Very clean and discreet terraced house. Quiet side entrance. Run by Sueli - a local legend in punting circles.

The Lady:

Tall, dark-haired Chinese, probably in her early thirties. Modest boobs, but nicely curvy, natural and unshaven pussy but tidy.

The Story:

Have seen Neon before but decided to go for the one-hour special. She delivers an astonishing massage, with good body-to-body action, followed by an exquisite uncovered blow job. This was possibly the best BJ I have ever had by anyr working or non-working girl. Incredible deep-throat, tongue action on the glans and balls. Flipped Neon onto all fours for a nice reverse action and then onto her back. Fucked in the missionary position and then came after a second, deep throat blow job. Did not CIM but happy to have frenulum tongued (look it up!) while I shot my bolt.

What you get with all Sueli's girls is a great friendly service. Neon is another fabulous addition. If only all punts were as good.
