The Premises:

Small studio flat in Gloucester Road, I felt safe but its hardly a rough part of London. What didn't help was a problem with her buzzer so I was left waiting outside and had to call the agency to get her to let me in.

Clean and tidy and fit for purpose. this flat is one of the smallest I've been in. The bed is above in a mezzanine type of error and to get to it the steps are almost vertical and its like going up a step ladder.

The Lady:

Cheryl is late 20's and looks just like the pictures. She has a tall slim body, natural tits and nice legs and arse. I thought she was vert good looking and was pleased when she opened the door and I saw her for the first time.

The Story:

Cheryl was very friendly and as I followed her back to her flat I admired her beautiful figure from behind. She was more than aware I was eyeing her up as I followed her and I could feel my cock beginning to grow.

Upon entering the flat I was offered a drink (non-alcoholic) and asked if I wanted a shower. I said I had just washed 1/2 hour beforehand but would gladly have a shower if she would like me to. She handed me my drink, I had a few sips and we chatted briefly and I was about to make a move for the shower.

Then she moved close to me and started taking her top off and next thing I know she is in her knickers and stockings straddling me. I went to kiss her but she wasn't interested in that and pulled me close to her tits which she was happy for me to kiss and caress.

A few cuddles and next thing I know I'm sat on this sofa, naked, glass of water in one hand and the other hand on the back of her head as I'm receiving some well performed OWO. this goes on for about 5-10 mins and we then moved upstairs.

On the bed, 2 rounds took place and both were delivered to my satisfaction.

Round 1: Plenty of OWO to get me going. Then 69, reverse cowgirl and then turned her round for doggy where I filled the condom. Cheryl has an almost athletic body and she easily accomodated me banging her from behind. She can really take it well and is a particularly good fuck.

Upon completion, she assisted cleaning me up with the obligatory baby wipes and we lay down

together for a little chat. Then it was onto a pleasant massage (with oil, said I was ok with that) before I turned back over and was asked: "Sex or oral"

"Oral" I replied. I thought I'd go for a CIM as other reports indicate she does that and I'm pretty sure she does. Anyway, I'm enjoying the oral but change my mind and ask if we can have sex now. She's fine with that and Round 2 commences.

Round 2: Reverse cow girl again but I don't feel I can quite thrust hard enough from underneath. Like I said before, this girl can take it and she's pretty strong too. So I switch to missionary and bring myself to completion with some nice strokes.

I was feeling particularly relieved and pleased with myself after this and we lay down together and chatted some before. She's a very nice girl to talk to and very friendly also.

POSITIVES: OWO, pleasant girl with a friendly manner. Good hygiene and certainly knows how to fuck.

NEGATIVES: No FK. Found this disappointing as it gets me going more and I can get harder after some FK. Also makes the whole fantasy a bit more real in my mind.

SUMMARY: For the price a good session with a nice looking girl with a good attitude.

RECOMMENDED? Yes, I would return.
