The Premises:

Place was spacious basement flat round corner from the tube. Shower was good and plenty of hot water and good soap etc.

The Lady:

Olivia needs a new photographer. She is way better better looking than her pictures. She is a tall , long legged blonde about 5-10 (not the 6 feet listed). She has a truly beautiful face and flawless pale white complexion. This is a stunning girl and rediculously under-priced at 150.

The Story:

Olivia was super sweet and I dont think she has been in this overlong. She has massage training and it showed right away as she used wonderfully sensuous hand moves to get me throbbing. Her OWO was mind blowing. Varied deep and luscious. I strongly considered letting it go right there but glad I waited for the sex. Olivia long legs can bend a long way and she is tight and inviting. It was a memorable romp and as I staggered up the stairs out I vowed I'd be back shortly.
