### The Premises:

### The Lady:

A stunner. Black, 5'9 - long hair, approx 34C-32-34 - with an arse to die for and a pair of tits that are real and rock hard - this girl makes you come just by looking at you.

### The Story:

Looks aside, Brandy was a good talker both before and after, I didnot feel rushed and she gave and received oral. BUT she was unresponsive, maybe it was late, maybe I did not hit the spot, I know I tried! She did however, make me come pretty soon after she straddled me, but then the sight and feel of her arse and tits, would make a stone come!! However, lads - be quick cos she has plans to leave Bristol, cos the action is too slow..
