The Lady:

Cute and shapely Thai girl. Exactly as per photos on site, no photoshopping here! Really beautiful frankly.

The Story:

Arrived and offered a glass of wine. She drank Guinness, said it was great for her skin! No complaints from me! She offered a shared bath which was already prepared. Usual Thai attention and all bits nicely soaped, lathered and rinsed :)

Back to the bedroom and immediately commenced passionate french kissing and worked her way down to begin a lengthy slow and very deep BBBJ with gentle ball licking, kept me on the edge for ages. Then popped back up to ask if I wanted to come in her mouth or inside her. Opted for CIM for first pop. Slowly built up pace and finished round 1. She returned to the bathroom for a gargle.

Back she came and gave a great oily massage top to toe includingg head maasage. Really good after a long flight. (I went to see her straight from the airport)

Round 2 started with more oral and finished eventually in a satisfying CIM again. She worked hard for the second pop, and never complained that an old man took long to recover, after jetlag!

This girl is the ultimate GFE. Really pretty, very sweet, wonderfully attentive and a no rush attitude gets her 10/10 in my book.

No FR's on Sofia, who is also on Asiansupermodels as Annie, but I trusted the lady at Olina, as her previous recommendations have always been good. 100% recommended!!
