The Story:

I had booked Jasmine for one hour, with slight doubts as to whether or not she would be my type, but after meeting the beautiful, voluptuous (and by this I mean huge tits) Jasmine, I decided to extend my time. This was a shock even to myself! I normally go for a slim not so busty lady, however I just seemed to be mesmerised by Jasmine's beauty. She had a lovely warm, charming personality, which was so unusual from a wg. I know Indian palace are notorious for doing a vanilla service, but this really did feel like more than your average punt. Which just proved to me that its not necessarily the act a girl does, rather its more the way she does it. I have had uncovered oral sex on several occasions and yes the feeling was nice, but I really felt closer to Jasmine than any of those other girls, with her lovely caressing personality (No fakeness in sight or sound). The sex was great and very enjoyable and not just for me! After going down on her, I let her ride my dick. I finished in mish. She has lovely soft skin, which felt nice when I was on top of her. After the sex was over the first time round, we stayed in bed and chatted for a while. Jasmine is a very witty and intelligent girl and I loved talking to her. An unforgettable 2 hours, I can not wait to be in her company again.
