The Premises:

Dirty house, with a rotting food smell about the air, was asked to have a shower before and felt dirtier after I had been in the bathroom than before....

The Lady:

Both ladies did not look like their pictures on another site, somewhat larger than their pictures.

The Story:

To start with the encounter seemed to go ok, it all went pear shaped after handing over payment and the mood changed considerably. As I waited in the room after my mucky shower they both came in and kitty said "on the bed" I got on and they got undressed in a very unenthusiastic way with sighs and moans and flopped onto the bed with me, no communication just a half hearted rub. I said that I had asked for some mild domination and for them to wear some PVC or leather along with a pair of boots.....she laughed!! Then said "this is extra". Which was not what was said on the phone. They wanted ?50 extra each to put on some clothes....

Then after 2 mins of this rubbing kitty said "which one you want" I hopped on the other girl and came ASAP then just said thanks for such an awkward time and left...

15 mins after arriving! And that included a shower, these girls are emotionless and quite rude, I will stick to parlours and known contacts I think, the worst punt in my life....
