### The Lady:

Ashley is every bit as stunning as her photos suggested. With one difference, she is a blonde and the site pics need to be updated. She turned up in a fairly short black dress and stockings and you could tell she had the complete gear on underneath. Real looker with long blonde hair and make up absolutely immaculate. And right on time with a call from the agency beforehand to let me know she had just got to the hotel and would come straight to the room.

### The Story:

After a few pleasantries and getting the business side out of the way we had a quick glass of wine to relax and chat. I had originally booked for the hour but already the idea of asking her to stay longer was entering my head. The conversation turned to what I would like as she said her biggest turn on was pleasing me. When she started to undress I knew this was going to be special. Her figure is bang on and the black underwear obviously expensive. Onto the bed for a fair bit of gfe with lots of touching. Without being told Ashley decided it was time for a bit of oral. Deep throat. This girl really works to make sure you are enjoying everything. I had to stop her as this was definitely going to be over too quickly. Back to a bit of touching and even I was surprised how wet this girl gets. Decided to go for having her bent over on the bed, so on went the cd, no matter how hard I went at it she seemed to lap it up and the moans and noises were definitely real. Finished off part one in the traditional missionary. After chatting a bit Ashley admitted to being genuinely submissive so this is why she works so hard to please. Part two, after a bit of massage, went down the same road but this time with her loving a bit of spanking. By the time Ashley finally left she had absolutely drained me and I ended up lying in the bath for about another hour with a smile on my face. Would definitely see her again and have a lot of fun planning the next encounter
