The Premises:

Well known and reported on. The lift has almost legendary status and had an interesting exchange with another Punter as to whether it might take the 2 of us. Both of us being "big boned". Thankfully he played the gent and allowed me to go up first.

The Lady:

Pretty Spanish lasdy with a naughty twinkle and knowing smile who has been a regular here for sometime.

The Story:

I knew from the off that this would be a good one. She snogged like I was a movie star(I a'int)and provided a first class gfe.Declinded the owo which was an extra tenner.I left a contented man. I meet the other chap departing at the same time, if his grin and flushed face was anything to go by he was equally happy.
