The Premises:

Clean flat less than 5 minutes from Harrow-on-the-Hill tube station. Free on-street parking. Very respectable area half-way between Harrow town centre and the famous historic Harrow school.

The Lady:

Sacha is advertised as an English rose, and she is just that - a very sexy English girl. Approximately 5' 5"/5' 6" in height, dark brown/black hair, beautiful pale skin, slim and curvy in all the right places. Beautiful breasts.

The Story:

This girl is a superstar. As someone who's been a patron of working girls for 10 years, I can list very few better experiences, if any. She did everything agreed (in the price) with an enthusiasm that made this a truly memorable half-hour. She absolutely excelled in the cowgirl position, and when we switched to doggy style I can't remember a more active partner in terms of her movement and everything else. Big Wow! I will definitely be returning to see Sacha.
