### The Premises:

end terrace on a nice estate,easy to find with the directions given,parking right outside, felt very safe.

### The Lady:

helen is quite tall, blonde, very attractive, a figure a lot of girls half her age would die for.see pictures on her website.

### The Story:

was met at the door by helen who was wearing a skimpy top mini skirt and hold ups,wow!!..straight into a long passionate kiss we then went upstairs.i won't go into detail but it was the best sex i have ever had with the sexiest lady i am ever likely to meet!helen is friendly, cheeky, but above all sex on legs.i will definately be back when i get the chance.
